

Labor & human rights

SUE report card - Aerospace & Defense | Human rights policy, modern slavery, freedom of association
140 of 3371 passages are about this category (PCA projection)

KEY PASSAGES (the evidence the verdict leans on)

[1] AEROVIRONMENT INC - 2025 AeroVironment_2025_Corporate_Social_Responsibility_Report.pdf (p.24) - score 0.73

In addition, employees must participate in general and job-specific trainings to ensure they remain aware of current business practices and expectations. In addition to the care and consideration we take to ensure our own workforce is treated fairly, we also require each of our suppliers to obey applicable laws and regulations regarding the treatment of their own employees. We require that all suppliers provide a saf...

[2] GE Aerospace - 2026 GE_Aerospace_2026_Supplementary_Materials_&_Sustainability_Databook.pdf (pp.12-13) - score 0.71

VERDICT

GE Aerospace leads the peer group on labor & human rights (depth 0.60 vs. group tail 0.42), and its passages above are noticeably more concrete than the group norm. Credit where due: GE Aerospace goes beyond the standard report here, publishing a standalone data supplement - over-delivery of this kind is a stronger signal than polished prose.
